

Minnesota schools, NGO's, Sourcewell and Islam

October 7, 2022

NOTE – Recently a group of young Patriots slipped into a meeting at their local INITIATIVE FOUNDATION – They took many pictures, including the attachments below, which fully exposed the Sexual, anti White, anti American bias, PRO ISLAM trash that they (Sourcewell, Region 5, Initiative Foundation) bring to your schools and communities) There are many more pictures which we can make available. YOUR school will soon be hosting a public Forum to discuss accepting these programs and Grants with the OBVIOUS Islam STRINGS and the goals they plan to pursue. PLEASE PUBLICIZE THIS AND GO TO YOUR SCHOOLS AND MAKE THEM REFUSE THE GRANTS, Greg

With an update on school institutions and the integration of a foreign ideology, Welcome folks,

I would like to direct this information to those in communities with large population's of Muslims, You have been taught that Islam is the "religion of piece". After 911, President George Bush coined the phrase. I want to dispel that rumor.

In cities like St Cloud, Wilmar, Rochester and the twin cities,, Local Banks, schools and state institutions are implementing Sharia Law y using Sharia financing. Sharia means "a complete way of life "I want to give one example of sharia. Sharia financing, Islamic banking refers to a banking system that is based on the principles of Islamic law (Sharia law) and guided by Islamic economics. When Sharia finance was initiated in Minnesota cities listed above, These principals exercised in the local communities attribute to the laws of ISLAM. 2.5 percent of all Sharia financing transaction go to one individual who resides overseas and, Is not permitted on American soil. Sharia finance is Zakat.

JIHAD. War against the non believer.

U of M in 2011 joins handful of schools with Islamic law program. 32 Minnesota state run Universities have the same agenda.

The academic focus will be on Islamic, or Sharia Law — something that guides the lives of many Muslims. It's an extensive code of conduct based on writings in the Koran and the life of the prophet Muhammad.

All Sharia transactions through local banks will go to one man overseas and distributed to Islamic charities of Jihad. Your taxpayer dollars are being used in opposition to the US Constitution, article 6, Sec 2 of the US Constitution, Supreme law of the land. With all the recent fraud in Minnesota, (day care and feeding our children fraud) and the misuse of taxpayer dollars by individuals and organizations, ISLAM has it's name attached with its ideology.

Who benefits.

Qaradawi was banned from entering the United States, * the United Kingdom,* France,* and Tunisia* due to his reputation as a violence-inciting Islamist.
