

## From Fergus Falls

To All:

If you trust Team DEM-o-lition in St Paul... ignore this article. Otherwise... read on. Then contact your sheriff and ask him if he is a Constitutional sheriff. His oath is to stand between you and the brazen, law breaking legislators running MN into the ground... ruining our state. Cathy  
"Several sheriffs have voiced their opposition to the DFL's gun control agenda, particularly a safe-storage bill that they say would inhibit the ability of Minnesotans to defend themselves in their homes."

Also, read Marcia Huddleston's/ OTC Conservative Coalition suggestions here:

"Go to the attendant at the front desk [Sheriff's Office/ Fergus Falls] and ask to speak to the Sheriff. If he's in, he will usually see you. If he's not, ask for a pen and paper and leave him a note - they will give it to him.

Tell him you are concerned about the state and federal laws which are encroaching on our second amendment rights. Tell him why you are against it. (Unconstitutional?) Ask him to stop them at the county border, or something like that. Tell him your concerns.

Please don't be intimidated. He is an elected official, and it is in his best interests to listen to the Grassroots. Just do it - PLEASE!"

>> The Itasca County Board of Commissioners unanimously approved its "Second Amendment Dedicated County" resolution at a Feb. 21 meeting.

>>

>> "I like the fact that people talk about it being about hunting, shooting and recreational sports but also about protection for our homes, ourselves and [against] our government," said Ryan Frank, a county resident.

>>

>> The language of the resolution is identical to one approved Feb. 28 by the Crow Wing County Board.

>>

>> "The People of Itasca County, Minnesota, derive economic benefit from all safe forms of firearm recreation, hunting, and shooting conducted within Itasca County using all types of firearms allowable under the United States Constitution," the resolution states.

>>

>> "The Itasca County Board of Commissioners hereby declares its intent to oppose any infringement on the right of law-abiding citizens to keep and bear arms by opposing any new laws in the future that would unconstitutionally restrict the rights of the citizens of Itasca County to keep and bear arms," it adds.

>>

>> Five other Minnesota counties have already passed similar resolutions, including Clearwater, Marshall, Red Lake, Roseau and Wadena.

Several sheriffs have voiced their opposition to the DFL's gun control agenda, particularly a safe-storage bill that they say would inhibit the ability of Minnesotans to defend themselves in their homes.

>>

>> Democrats have also proposed legislation to require criminal background checks for all firearm transfers. Another bill would make Minnesota a "red-flag" state, which would allow law enforcement and relatives to "petition a court to prohibit people from possessing firearms if they pose a significant danger to themselves or others."
