

- This past Monday, the State House voted on a 247 page unconstitutional omnibus bill, HF2435.

This is the Health & Human Services Finance bill. It funds DEI programs, fraud riddled welfare programs, Parenthood & ultimately abortion!

Of course Republican legislators have supposedly been OUTRAGED by DEI programs, welfare fraud, abortion, etc.

At least that's what they tell you while they're campaigning and begging for your donations and votes.

So all 67 Republicans voted against the bill, right??

**WRONG!**

29 Republicans voted FOR this immoral, racist and unconstitutional bill.
