

Crooked liberal politicians are giving BILLIONS of OUR TAX DOLLARS to daycare fraudsters & they want to raise our taxes even higher!

Tim Walz announced recently that he is dropping out of the governor's race, and Minnesota conservatives need to take back our state! This begins at your precinct caucus on February 3rd.

Join our team and patriots from your area Saturday, January 24th at 1:00PM for a Patriot Meetup and caucus training!

You can meet other local conservative patriots and learn all about precinct caucuses.

The event is free, so tell friends and family & please forward this e-mail to other conservatives who may be interested. We hope to see you Saturday!
