

Examples of objections and statements for annual meetings:

- Object to the county's resolution to make the county auditor-treasurer an appointed office
- Object to the county's decision to hire a single temporary auditor replacement during these 2026 elections
- Take back control of all elections in our townships and precincts including certification and ridding voting machines if possible
- Bring back private assessors to our townships and cities and rid the True County Assessing system
- Bring back the offices of county clerk and county assessor to electable and continue the county auditor-treasurer as electable
- Demand a special election for the county auditor-treasurer prior to the main election

We must preserve our "We the People" 4th branch of government given to us in the constitution!
